## LETTER OF INTRODUCTION

Carlos Santos has been hired as an independent contractor by The Louisiana Association of Chiefs of Police [LACP] to market commercial advertising for the "LACP" Louisiana Association of Chiefs of Police magazine publication.

He has the permission of the Association to represent LACP in a professional manner requesting the support of businesses statewide to advertise their company in our magazine.

The funds received from the purchased ads will go to support LACP scholarships, as well as to afford quality presenters for mandated continued education for Chiefs and their upper management.

The intent is to publish the magazine annually if the concept of it is well received by the business community. Also contained therein will be articles from members and others with content of interest as it relates to educational or other actions of interest which occur across the state.

Please give Carlos Santos whatever assistance you can as he comes into your community. He is to contact you in advance of entering your jurisdiction so you will know he is there. If you can escort him or assign an officer to do so to introduce him that would be appreciated.

**IF YOU HAVE A CONFLICT OF INTEREST WITH HIS PRESENCE - ADVISE THIS OFFICE.** He will be advised NOT to come to your location.

Sincerely,  
Fabian Blache  
Executive Director
